SKILLS

Communication Skills, Problem Solving Skills, Leadership & Team Management Skills, Time Management Skills

KEY ACHIEVEMENTS

Excellent Managerial Skills

Proven campus leader recognized as the college's top Event Manager for successfully executing major festivals and sports activities. Skilled in leading cross-functional teams and mentoring junior students to enhance their communication and professional development.

Vice Captain of the Orator's Guild Club

Mentoring peers, moderating debates, and coordinating large-scale public speaking events inside the college. Fostering a collaborative environment that builds member confidence and sharpens communication skills.

Best NSS Volunteer

Participated in community service, including local cleanliness drives and awareness campaigns, directly engaging with local residents. Planned and executed a 7-day special village camp for 50+ volunteers, focusing on rural development and educational outreach.

Trainer in the Capacity Building Program held by the College

Designed and delivered engaging activities that helped students transition from high school to college life and build foundational professional skills. Mentored 1st year student groups, providing personalized feedback and fostering a collaborative learning environment.

PROJECTS

A Study on Consumer Satisfaction Towards Food Delivery Apps

Conducted a comprehensive study on food delivery platforms to analyze key drivers of user retention and satisfaction. Utilised primary survey data to identify crucial consumer pain points, providing actionable insights into digital service delivery.
